

Dear Grasshopper Pensioners' Club Members,

It might seem too early to be talking about winter, but it's never too early to prepare for it. It can be a difficult time for some, with the increase in fuel bills and Christmas putting pressure on finances.

That's why as well as our specialist advice and support, we offer a Christmas grant to all Barclays' pensioners who could benefit from financial support in the winter months. It's a one-off grant that's means-tested in line with the Bank Workers Charity's (BWC) current grants criteria.

Even if a member has been unsuccessful before, it's worth them applying again as circumstances can change.

Members who received the Christmas grant last year will automatically be sent a letter inviting them to apply again this year. We'll be sending these out week commencing Monday 3rd August 2020.
